Parental Code of Conduct

This parental code of conduct has been developed to clarify and define the standards of professional, ethical, and moral behavior from parents. At games, the parents must comply with the following:

- Never coach from the sidelines. This confuses the players and undermines the coach. Let the coaches do their work.
- Remain outside the field of play and behind the designated spectator area (where specified).
- Never engage in, or tolerate, offensive, insulting, or abusive language or behavior.
- Always respect the match officials' decisions and authority. Leave any disputes for the coach to sort out.
- Applaud effort and good play as well as success.
- Remember that children play for *fun*. Cheer them on without pressuring them.
- Encourage the players to respect the opposition and match officials.
- Never criticize a player for making a mistake—mistakes are part of learning.
- Never place the value of winning over the safety and welfare of the players.

In addition, parents must also take note of other Kaya FC Academy policies:

- Our focus is to develop players, and winning is not our primary focus.
- We will give playing time to *all* players in games. Playing time is at the discretion of the coach but will be determined by attendance at practice, performance during practice and games, and overall attitude.
- 24-hour rule: If you have an issue with a coach, do not speak to him/her until 24 hours after a game.
